

Imagine a Journal . . .

10PLUS1
LIVING
LINGUISTICS

presenting **peer-reviewed** innovative research in the broader field of applied linguistics not only in established *journal articles* but also in **unconventional**, creative and entertaining forms such as *brainstorming*, *3-min-talk*, *...is thinking about...*, or *infographic*.

usually offering **10 plus 1 contributions** at a time on a broad range of current topics in linguistics.

inviting **feedback** on the contributions that appear as **open-access** files on the journal's website.

offering a **creative academic space** that explicitly welcomes contributions not only from established but also from junior **researchers** and **students** working on excellent papers.

emphasising the importance of presenting research in a sophisticated and aesthetically appealing way for those who consider **linguistic curiosity** both part of a profession and a unique way of life.

The 2nd issue **Contact Linguistics** has been **guest-edited** by Marion Schulte (Bielefeld) and will be published on **15th Sept, 2016**.
